

TITLE

Name SURNAME₁

Abstract

The content of the abstract should be Georgia, 10, Italics, Single spaced, Justified. It should be written in English, 80-100 words.

Keywords: a list of 3-5 keywords.

Introduction

The content of your article should be written in Georgia 12, Justified. Paragraphs are separated by 1 space. The article should be between 5000-8000 words.

Use only footnotes for additional information.

The quotations should be written in a separate paragraph (one space above, one below) as in the following example:

„The roots of the salary man can be traced at least as far back as the Tokugawa period, for after 1600 when Japan achieved internal stability, the military functions of the samurai withered away and many samurai became, in effect, administrators working for the clan government.” (Vogel, 1971: 5)

References should include the author's last name, the year of publication and, if the case, page numbers as in the example above.

2. Demonstration

3. Conclusions

4. References

In the case of books: The author (surname and name), the year of publication, *Title*. Publishing House

Ex.: Hane, Mikiso. 1986. *Modern Japan: A Historical Perspective*. Boulder: Westview Press.
